

NEW CITY *neighborhoods*

When He saw the crowds, He felt compassion for them, because they were distressed and dejected, like sheep without a shepherd. Then He said to his disciples, “The harvest is abundant, but the workers are few. Therefore, pray to the Lord of the harvest to send out workers into his harvest.” Matthew 9:36-38

What you will discover on the back of this page is the result of months of prayer and discussion from the Neighborhoods Elders and leaders. I want to highlight two things. First, you will notice an All-Campus approach to minister to the distressed and dejected by establishing a Clinical Biblical Counseling Center. Second, you will discover a strategy to train men and women to personally minister to the distressed and dejected in their neighborhoods.

It is my hope that this 2024 Ministry Plan inspires you to engage with God in deeper and more intentional ways as you identify the unique ministry opportunities that New City Neighborhoods will provide in 2024. As you review this ministry plan, I ask you to pray and prepare to be your most generous with your SEEK offering for Neighborhoods. This gift can be given anytime between November 13-19. Let’s go be workers of the harvest!
